**Disclaimer**

The information contained in this document provides the Draft 2023/24 Fees & Charges for Camden Council. Camden Council reserves the right to make changes to this document accordingly. This document contains information based on forward estimates and modelling which have been prepared using assumptions available at the time of publication.

## **FEES AND CHARGES**

The Draft 2023/24 Fees and Charges will be presented to Council for adoption for the purposes of Public Exhibition on 11 April 2023.

## **CLASSIFICATION OF FEES AND CHARGES**

The Fees and Charges have been classified into following sections:

- u Customer and Corporate Strategy Services
- u Planning Services
- u Building and Development Services
- u Environmental and Regulatory Services
- u Waste and City Presentation Services
- u Traffic Planning
- u Sport and Community Services
- u Economic Development and Activation
- u Public Road Activity, Restoration and Private Works

## **GST IMPLICATIONS TO THE PRICING SCHEDULE**

The following schedule of fees and charges has been prepared using the best available information in relation to the GST impact on the fees and charges at the time of publication. It should be noted that all fees and charges are subject to change in accordance with amendments to the Goods and Services Tax Legislation and subsequent ATO rulings and regulations.

The fees and charges are broken into base charge and GST to conform with Council's tax obligations.

These fees and charges have been prepared in accordance with Council's Revenue Policy.

## Development Applications – Subdivisions

### (i) Torrens and Community Title (Items 2.4 & 2.5 Schedule 4 EPAR 2021)

|                                            |                                      |  |  |  |   |   |
|--------------------------------------------|--------------------------------------|--|--|--|---|---|
| (a) New public road and/or private road    | \$777 + \$65 for each additional lot |  |  |  | N | F |
| (b) No new public road and/or private road | \$386 + \$53 for each additional lot |  |  |  | N | F |

### (ii) Strata Title (Item 2.6 Schedule 4 EPAR 2021)

|                  |                                      |  |  |  |   |   |
|------------------|--------------------------------------|--|--|--|---|---|
| Strata Title Fee | \$386 + \$65 for each additional lot |  |  |  | N | F |
|------------------|--------------------------------------|--|--|--|---|---|

### (iii) Boundary Adjustment and /or lot consolidation

|                                                   |          |          |       |        |   |   |
|---------------------------------------------------|----------|----------|-------|--------|---|---|
| Boundary Adjustment and /or lot consolidation fee | \$285.00 | \$285.00 | 0.00% | \$0.00 | N | F |
|---------------------------------------------------|----------|----------|-------|--------|---|---|

## Development Applications – Advertising Signage

|                                                               |                                                                                                                                                   |  |  |  |   |   |
|---------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|---|---|
| (i) Development for the purpose of one or more advertisements | \$333.00 + \$93.00 for each additional sign (or the fee to be calculated in accordance with "Development Applications", whichever is the greater) |  |  |  | N | F |
|---------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|---|---|

| Name | Year<br>22/23<br>Fee<br>(incl. GST) | Year 23/24<br>Fee<br>(incl. GST) | Increase<br>% | Increase<br>\$ | GST | Pricing<br>Code |
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|

## Development Application – Modification

### (i) Modification – s.4.55 EPAA 1979

(a) s.4.55(1) Modifications involving minor error, misdescription or miscalculation (or 50% of the fee for the original development application, whichever is the lesser)

|                  |                             |   |   |
|------------------|-----------------------------|---|---|
| Modification fee | Maximum Fee Payable \$83.00 | N | F |
|------------------|-----------------------------|---|---|

(b) s.4.55(1A) Modifications involving minimal environmental impact (or 50% of the fee for the original development application, whichever is the lesser)

|                  |                           |   |   |
|------------------|---------------------------|---|---|
| Modification fee | Maximum Fee Payable \$754 | N | F |
|------------------|---------------------------|---|---|

(c) s.4.55(2) if the fee for the original application was less than \$100

|                  |                                                         |   |   |
|------------------|---------------------------------------------------------|---|---|
| Modification fee | 50% of the fee for the original development application | N | F |
|------------------|---------------------------------------------------------|---|---|

(d) s.4.55(2) if the fee for the original application was greater than \$100

|                                                                                                                                                                                              |                                                         |          |       |        |   |   |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|----------|-------|--------|---|---|
| In the case of an application with respect to a development application that does not involve the erection of a building, the carrying out of a work or the demolition of a work or building | 50% of the fee for the original development application |          |       |        | N | F |
| In the case of an application with respect to a development application that involves the erection of a dwelling-house within an estimated cost of construction of \$100,000 or less         | \$222.00                                                | \$222.00 | 0.00% | \$0.00 | N | F |

*In the case of an application with respect to any other development application as set out in the table below:*

|                          |                                                                                                                                           |         |       |        |   |   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|---------|-------|--------|---|---|
| Up to \$5,000            | \$64.00                                                                                                                                   | \$64.00 | 0.00% | \$0.00 | N | F |
| \$5,001 to \$250,000     | \$99 + \$1.50 for each \$1,000 (or part of \$1,000) of the estimated cost                                                                 |         |       |        | N | F |
| \$250,001 to \$500,000   | \$585 plus an additional \$0.85 for each \$1,000 or part of \$1,000 by which the estimated cost exceeds \$250,000                         |         |       |        | N | F |
|                          | <b>Last year fee</b><br>\$500 plus an additional \$0.85 for each \$1,000 or part of \$1,000 by which the estimated cost exceeds \$250,000 |         |       |        |   |   |
| \$500,001 to \$1,000,000 | \$833 + \$0.50 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$500,000                                        |         |       |        | N | F |

| Name | Year<br>22/23<br>Fee<br>(incl. GST) | Year 23/24<br>Fee<br>(incl. GST) | Increase<br>% | Increase<br>\$ | GST | Pricing<br>Code |
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|

*In the case of an application with respect to any other development application as set out in the table below: [continued]*

|                             |                                                                                                         |   |   |
|-----------------------------|---------------------------------------------------------------------------------------------------------|---|---|
| \$1,000,001 to \$10,000,000 | \$1,154 + \$0.40 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$1,000,000  | N | F |
| Over \$10,000,000           | \$5,540 + \$0.27 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$10,000,000 | N | F |

## Request for Review of Determination

### (i) Review of Determination – s.8.3 EPAA 1979

a) In the case of a request with respect to a development application that does not involve the erection of a building, the carrying out of a work or the demolition of a work or building

|                             |                                                         |   |   |
|-----------------------------|---------------------------------------------------------|---|---|
| Review of determination fee | 50% of the fee for the original development application | N | F |
|-----------------------------|---------------------------------------------------------|---|---|

b) In the case of a request with respect to a development application that involves the erection of a dwelling-house with an estimated cost of construction of \$100,000 or less

|                             |          |          |       |        |   |   |
|-----------------------------|----------|----------|-------|--------|---|---|
| Review of determination fee | \$222.00 | \$222.00 | 0.00% | \$0.00 | N | F |
|-----------------------------|----------|----------|-------|--------|---|---|

c) In the case of a request with respect to any other development application set out in the table below

|                             |                                                                                                         |         |       |        |   |   |
|-----------------------------|---------------------------------------------------------------------------------------------------------|---------|-------|--------|---|---|
| Up to \$5,000               | \$64.00                                                                                                 | \$64.00 | 0.00% | \$0.00 | N | F |
| \$5,001 to \$250,000        | \$100 + \$1.50 for each \$1,000 (or part of \$1,000) of the estimated cost                              |         |       |        | N | F |
| \$250,001 to \$500,000      | \$585 + \$0.85 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$250,000      |         |       |        | N | F |
| \$500,001 to \$1,000,000    | \$833 + \$0.50 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$500,000      |         |       |        | N | F |
| \$1,000,001 to \$10,000,000 | \$1,154 + \$0.40 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$1,000,000  |         |       |        | N | F |
| Over \$10,000,000           | \$5,540 + \$0.27 for each \$1,000 (or part of \$1,000) by which the estimated cost exceeds \$10,000,000 |         |       |        | N | F |

| Name | Year<br>22/23<br>Fee<br>(incl. GST) | Year 23/24<br>Fee<br>(incl. GST) | Increase<br>% | Increase<br>\$ | GST | Pricing<br>Code |
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|

#### d) Additional notification fee if required

|                             |          |          |       |        |   |   |
|-----------------------------|----------|----------|-------|--------|---|---|
| Review of determination fee | \$620.00 | \$620.00 | 0.00% | \$0.00 | N | F |
|-----------------------------|----------|----------|-------|--------|---|---|

## Other Application Fees

### (i) Integrated Development (Item 3.1 Schedule 4 EPAR 2021)

|                                                                           |          |          |       |        |   |   |
|---------------------------------------------------------------------------|----------|----------|-------|--------|---|---|
| Processing Fee                                                            | \$164.00 | \$164.00 | 0.00% | \$0.00 | N | F |
| Concurrence fee payable to an approval body for a development application | \$320.00 | \$320.00 | 0.00% | \$0.00 | N | F |

### (ii) Development not involving the erection of a building, the carrying out of work, the subdivision of land or the demolition of a building or work (Item 2.7 Schedule 4 EPAR 2021)

|                 |          |          |       |        |   |   |
|-----------------|----------|----------|-------|--------|---|---|
| Application fee | \$333.00 | \$333.00 | 0.00% | \$0.00 | N | F |
|-----------------|----------|----------|-------|--------|---|---|

### (iii) Designated Development (cl 251 EPAR 2000)

|                 |                  |  |  |   |   |
|-----------------|------------------|--|--|---|---|
| Application fee | DA Fee + \$1,076 |  |  | N | F |
|-----------------|------------------|--|--|---|---|

### (iv) Time extension to commence work on a Development Consent

|                 |          |          |       |        |   |   |
|-----------------|----------|----------|-------|--------|---|---|
| Application fee | \$145.00 | \$150.00 | 3.45% | \$5.00 | N | G |
|-----------------|----------|----------|-------|--------|---|---|

### (v) Concurrence Development (Item 3.2 Schedule 4 EPAR 2021)

|                |          |          |       |        |   |   |
|----------------|----------|----------|-------|--------|---|---|
| Processing Fee | \$164.00 | \$164.00 | 0.00% | \$0.00 | N | F |
|----------------|----------|----------|-------|--------|---|---|

## Public Notification/Advertising

|                                                                                                        |                                |            |       |         |   |   |
|--------------------------------------------------------------------------------------------------------|--------------------------------|------------|-------|---------|---|---|
| (i) Advertised Development (which includes advertising & notification) (Item 3.6 Schedule 4 EPAR 2021) | Maximum Fee Payable \$1,292.00 |            |       |         | N | F |
| (ii) Designated Development (Item 3.5 Schedule 4 EPAR 2021)                                            | \$2,596.00                     | \$2,596.00 | 0.00% | \$0.00  | N | F |
| (iii) Prohibited Development (Item 3.5 Schedule 4 EPAR 2021)                                           | \$1,292.00                     | \$1,292.00 | 0.00% | \$0.00  | N | F |
| (iv) Other Advertised Development (Item 3.5 Schedule 4 EPAR 2021)                                      | Maximum Fee Payable \$1,292.00 |            |       |         | N | F |
| (v) Public notification                                                                                | \$294.00                       | \$304.00   | 3.40% | \$10.00 | N | G |

| Name | Year<br>22/23<br>Fee<br>(incl. GST) | Year 23/24<br>Fee<br>(incl. GST) | Increase<br>% | Increase<br>\$ | GST | Pricing<br>Code |
|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|

## Building Works (PCA & Certification Services)

### (i) Construction Certificate

#### (a) General (Where estimated cost of development)

|                                                                                             |  |                                            |  |  |   |   |
|---------------------------------------------------------------------------------------------|--|--------------------------------------------|--|--|---|---|
| < \$5,000                                                                                   |  | \$310.00 + 0.5% of cost + GST              |  |  | Y | E |
| > \$5,000 but < \$100,000                                                                   |  | \$410.00 + 0.5% of cost + GST              |  |  | Y | E |
| > \$100,000 but < \$250,000                                                                 |  | \$810 + 0.2% of amt > \$100,000 + GST      |  |  | Y | E |
| > \$250,000 but < \$2 Million                                                               |  | \$1,220.00 + 0.1% of amt > \$250,000 + GST |  |  | Y | E |
| > \$2 Million (may apply to total cost for multiple buildings/Ccs for the same development) |  | Fee by quote                               |  |  | Y | E |

#### (b) Pre-Construction Certificate Meetings

|     |          |          |       |        |   |   |
|-----|----------|----------|-------|--------|---|---|
| Fee | \$139.00 | \$144.00 | 3.60% | \$5.00 | Y | E |
|-----|----------|----------|-------|--------|---|---|

#### (c) Application for amendment to Construction Certificate Plans

|              |         |         |       |                              |   |   |
|--------------|---------|---------|-------|------------------------------|---|---|
| Class 1 & 10 | \$96.00 | \$99.50 | 3.65% | \$3.50                       | Y | G |
| Class 2 – 9  |         |         |       | 50% of original CC fee + GST | Y | G |

#### (d) Construction Certificate (Private Assessors engaged by Council)

|     |  |                                         |  |  |   |   |
|-----|--|-----------------------------------------|--|--|---|---|
| Fee |  | Contractors Fee + \$100.00 Admin Charge |  |  | Y | G |
|-----|--|-----------------------------------------|--|--|---|---|

#### (e) Building Code of Australia – Alternative Solutions

##### Building Class

Note: This fee is in addition to normal Construction Certificate/PCA fees

|                                                                                                                                                    |          |          |       |         |   |   |
|----------------------------------------------------------------------------------------------------------------------------------------------------|----------|----------|-------|---------|---|---|
| Class 10 buildings                                                                                                                                 | \$237.00 | \$245.00 | 3.38% | \$8.00  | Y | G |
| Class 1a buildings/dwelling                                                                                                                        | \$361.00 | \$373.00 | 3.32% | \$12.00 | Y | G |
| Class 1b, 2 to 9 buildings – Minimum fee, with additional fee to be negotiated on a case by case basis and subject to a peer review being required | \$721.00 | \$745.00 | 3.33% | \$24.00 | Y | G |

|------|-------------------------------------|----------------------------------|---------------|----------------|-----|-----------------|

#### (f) Civil Engineering – Construction Certificate/Design Assessment

These fees may be charged in addition to building work Construction Certificate fees for larger projects

##### *Small development*

|                                                  |          |          |       |         |   |   |
|--------------------------------------------------|----------|----------|-------|---------|---|---|
| 1st submission each                              | \$592.00 | \$612.00 | 3.38% | \$20.00 | Y | G |
| 2nd submission each                              | \$222.00 | \$230.00 | 3.60% | \$8.00  | Y | G |
| 3rd submission and other (per hour – assessment) | \$160.00 | \$166.00 | 3.75% | \$6.00  | Y | G |

##### *Medium development*

|                                                  |            |            |       |         |   |   |
|--------------------------------------------------|------------|------------|-------|---------|---|---|
| 1st submission each                              | \$1,235.00 | \$1,280.00 | 3.64% | \$45.00 | Y | G |
| 2nd submission each                              | \$489.00   | \$506.00   | 3.48% | \$17.00 | Y | G |
| 3rd submission and other (per hour – assessment) | \$160.00   | \$166.00   | 3.75% | \$6.00  | Y | G |

##### *Major Development*

Note: This fee is in addition to normal Construction Certificate/PCA fees

|                                                  |            |            |       |         |   |   |
|--------------------------------------------------|------------|------------|-------|---------|---|---|
| 1st submission each                              | \$2,680.00 | \$2,770.00 | 3.36% | \$90.00 | Y | G |
| 2nd submission each                              | \$1,340.00 | \$1,385.00 | 3.36% | \$45.00 | Y | G |
| 3rd submission and other (per hour – assessment) | \$160.00   | \$166.00   | 3.75% | \$6.00  | Y | G |

#### (g) Engineering Inspections – Design Verification (NB Separate to PCA Critical Stage Inspections)

|                                                                                                                           |            |            |       |          |   |   |
|---------------------------------------------------------------------------------------------------------------------------|------------|------------|-------|----------|---|---|
| (i) Small development (Dual Occupancies and single unit commercial and industrial developments & buildings and/or 2 lots) | \$577.00   | \$597.00   | 3.47% | \$20.00  | Y | G |
| (ii) Medium development (Multi unit commercial and industrial developments to 5 units or, 3-5 lots)                       | \$1,495.00 | \$1,545.00 | 3.34% | \$50.00  | Y | G |
| (iii) Major Development (Greater than 5 commercial and industrial units or more than 5 lots)                              | \$5,920.00 | \$6,120.00 | 3.38% | \$200.00 | Y | G |

#### (ii) Request to issue a Compliance Certificate under Division 6.5 of the EPAA, 1979

|                                                                                                     |          |          |       |         |   |   |
|-----------------------------------------------------------------------------------------------------|----------|----------|-------|---------|---|---|
| (a) Issue of a Compliance Certificate for critical stage inspection (in addition to inspection fee) | \$294.00 | \$304.00 | 3.40% | \$10.00 | Y | G |
| (b) Issue of a Compliance Certificate for other matters – by quote                                  | \$268.00 | \$277.00 | 3.36% | \$9.00  | Y | G |
| (c) Additional copies of Compliance Certificates                                                    | \$71.00  | \$73.50  | 3.52% | \$2.50  | Y | G |

| Name | Year<br>22/23<br>Fee<br>(incl. GST) | Year 23/24<br>Fee<br>(incl. GST) | Increase<br>% | Increase<br>\$ | GST | Pricing<br>Code |

| > \$10,000,000                   |  |  |  | Fee by quote | Y | G |

**(vi) Miscellaneous**

|                                                                                                                                                                                           |          |          |       |              |   |   |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|----------|-------|--------------|---|---|
| (a) Additional copies of certificates                                                                                                                                                     | \$67.00  | \$69.50  | 3.73% | \$2.50       | Y | G |
| (b) Inspections after hours (per hour)                                                                                                                                                    | \$283.00 | \$293.00 | 3.53% | \$10.00      | Y | G |
| (c) Pre Lodgement assessment CC or CDU                                                                                                                                                    |          |          |       | Fee by quote | Y | G |
| (d) Change of Principal Certifying Authority to Council – Council will quote on the service required where a change of PCA is accepted by Council (or required to be accepted by Council) |          |          |       | Fee by quote | Y | G |

For example, a house may be half completed. If asked to accept the role of Principal Certifying Authority, Council will quote on remaining critical stage inspections and occupation certificate, as well as time to become familiar with the project (BCA assessment of the project & general compliance with the consent). A base fee will be a minimum of the cost of a CC for such development + inspections required + a \$100 administration fee will apply (OC's in this instance are charged separately).

|                                                                                                                                                                                                                                                                                                                                     |  |  |  |              |   |   |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--------------|---|---|
| (e) Appoint Council as Principal Certifying Authority (PCA) where Council was not appointed to assess and issue the Construction Certificate (CC) or Complying Development Certificate (CDC) – Council will quote on the service required to familiarise with the CC or CDC issued; this is akin to a full assessment of the CC/CDC |  |  |  | Fee by quote | Y | G |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--------------|---|---|

Should the PCA role be accepted by Council (or be required to be accepted by Council). Council Certifiers will quote on the, critical stage inspections and occupation certificate, as well as time to become familiar with the project (BCA assessment of the project & general compliance with the consent). A base fee will be a minimum of the cost of a CC for such development + inspections required + a \$100 administration fee will apply (OC's in this instance are charged separately).

**Subdivision Work (PCA and Certification Services)**

**(i) Subdivision works Certificate**

**(a) General**

|                                                               |          |          |       |                                      |   |   |
|---------------------------------------------------------------|----------|----------|-------|--------------------------------------|---|---|
| No New Public Road, no ROW, but with other Work (incl. Parks) | \$438.00 | \$453.00 | 3.42% | \$15.00                              | Y | G |
| No New Public Road, with ROW and Other Work                   |          |          |       | \$590.00 + \$8.00/metre of ROW       | Y | G |

### (b) Modification of Subdivision Works Certificate

|                         |                                              |          |       |        |   |   |
|-------------------------|----------------------------------------------|----------|-------|--------|---|---|
| Minor/per item or sheet | \$186.00                                     | \$193.00 | 3.76% | \$7.00 | Y | G |
| Major/Multiple issues   | 50% of Original Construction Certificate Fee |          |       |        | Y | G |

### (c) Pre-Subdivision Works Certificate Review of Requirements

|                              |          |          |       |        |   |   |
|------------------------------|----------|----------|-------|--------|---|---|
| Construction Certificate Fee | \$175.00 | \$181.00 | 3.43% | \$6.00 | Y | G |
|------------------------------|----------|----------|-------|--------|---|---|

## (ii) Compliance Certificate

### (a) Engineering Design

|                                   |            |            |       |          |   |   |
|-----------------------------------|------------|------------|-------|----------|---|---|
| Small subdivision (< 5 lots)      | \$566.00   | \$585.00   | 3.36% | \$19.00  | Y | G |
| Medium subdivision (5 to 40 lots) | \$1,390.00 | \$1,440.00 | 3.60% | \$50.00  | Y | G |
| Large subdivision (> 40 lots)     | \$5,660.00 | \$5,850.00 | 3.36% | \$190.00 | Y | G |

### (b) Landscape Plan Assessment

|                                                                    |            |            |       |         |   |   |
|--------------------------------------------------------------------|------------|------------|-------|---------|---|---|
| Small subdivision (area to landscape less than 5,000m2)            | \$608.00   | \$629.00   | 3.45% | \$21.00 | Y | G |
| Large subdivision (area to landscape between 5,000m2 and 10,000m2) | \$1,290.00 | \$1,335.00 | 3.49% | \$45.00 | Y | G |
| Major subdivision (area to landscape greater than 10,000m2)        | \$1,960.00 | \$2,025.00 | 3.32% | \$65.00 | Y | G |

### (c) Landscape Inspections

|                                     |            |            |       |         |   |   |
|-------------------------------------|------------|------------|-------|---------|---|---|
| Subdivision into two lots           | \$649.00   | \$671.00   | 3.39% | \$22.00 | Y | G |
| Subdivision into more than two lots | \$1,340.00 | \$1,385.00 | 3.36% | \$45.00 | Y | G |

## (iii) Subdivision Work Inspections (PCA Inspections)

Note: Items a,b, c and d are charged separately except when purchased with the roads and drainage [see item (e) below]

|                                        |          |          |       |         |   |   |
|----------------------------------------|----------|----------|-------|---------|---|---|
| (a) Sediment and erosion control plans | \$273.00 | \$283.00 | 3.66% | \$10.00 | N | G |
| (b) Traffic Management Plans (TMP)     | \$273.00 | \$283.00 | 3.66% | \$10.00 | N | G |

## Sports Grounds & Parks

1 – These fees do not apply to grounds subject to lease and licence.

2 – Bookings made after July 1, will be charged in accordance with the new financial year fees and charges.

3 – Community rate- Individuals and Not for profit (NFP) entities conducting private functions and/or non-commercial activities. NFP organisations must provide a certificate of incorporation or ruling from the Australian Tax Office advising of their not for profit status.

4 – Commercial rate- applicable to all hirers that do not meet the criteria for Community Rate.

### 5 – Schools

Schools within LGA – no fee applies for bookings within school hours. Please note: the casual booking fee for sports grounds will apply for any bookings outside school hours. No bookings through school holidays.

Out of LGA schools – the casual booking fee for sports grounds will be applied (community rate).

### 6 – Bonds

Applicable to all major events and special events. Where bond is retained, Council will hold a minimum of \$50 (plus GST) plus any applicable costs (includes damage to venue or breach of terms and conditions of hire).
