

# Help shape the future of the Camden local government area!

A review of your Community Strategic Plan is underway. The plan sets a vision that guides our future actions.

Camden's Community Strategic Plan outlines how Council and the community will collaborate to deliver a shared vision. It will also guide our key planning, investment, management and operational decisions up to 2036.

The Community Strategic Plan must be reviewed and used by the new Council to guide its actions for the term of office.

## Community input is vital.

We want to understand your aspirations for the future and identify where we should be focusing our efforts to make Camden an amazing place to live, work and play.

## Get involved

Complete this survey and return it by **5pm, Friday 18 March 2022** to one of the Council offices or facilities listed on the final page. It can also be completed online at [yourvoice.camden.nsw.gov.au](https://yourvoice.camden.nsw.gov.au) using your own computer, mobile or tablet.

The logo features the text "your voice camden" in white lowercase letters on a dark grey rectangular background. The background of the entire page is a colorful geometric pattern of overlapping triangles in shades of green, blue, yellow, and red.
